Chase Joins MarketScout

Dallas – May 21, 2007 – MarketScout, the Dallas, Texas based eInsurance Exchange, announced Jay Chase has joined the firm as Chief Underwriting Officer and Senior Vice President. Mr. Chase with over 25 years of executive level underwriting experience for major US and international insurers will add substantial strength and leadership to MarketScout’s growing eInsurance business.

“We are excited to have Jay join MarketScout at this very important stage of our company’s development. He has worked with us on a consultative basis for the last year and the time is right to add a seasoned underwriting executive of Jay’s stature to our leadership team. Assuring we produce quality business for our insurance company partners is essential to our long-term success. Jay adds a new level of underwriting rigor and respect to our distribution model,” stated Richard Kerr, Chairman and CEO of MarketScout.

About MarketScout

MarketScout is a Dallas, Texas-based electronic insurance exchange which underwrites and distributes hundreds of product lines to its 58,000-member agency network across the United States. Over 40 A-rated carriers participate in the MarketScout exchange platform at <http://www.marketscout.com>. MarketScout believes business produced via their insurance exchange is 7% to 8% more profitable than business generated by the typical marketplace.
