

PRESS RELEASE

Monster Energy

New energy insurance company writing in 48 states

DALLAS, TX – March 7, 2011 – Monster Insurance, a new Bermuda-based licensed underwriting facility has partnered with an A XV insurance company to offer workers' compensation, general liability and automobile coverages for all facets of the onshore energy sector. Monster Insurance will work cooperatively with its admitted A XV insurer, quoting accounts appropriately fitting the *Monster Energy* account profile. The insurance company partner's paper, policy issuance and claims facilities support the Monster program.

The Monster Energy program is offered exclusively via MarketScout. For more information, please visit <http://marketscout.com/monster> or call 972-934-4201.

About Monster Insurance

Monster Energy is a Bermuda based licensed underwriting facility focused on insuring U.S. based energy companies.

About MarketScout
